

FAQ

WHO RECOMMENDS OUR PRODUCTS?

SUN, brand of Unilever, warmly recommends our line of Grand Chef food keepers.

DOES ANY CURVER PRODUCT CONTAIN BPA?

None of CURVER's products contain Bisphenol A (BPA).

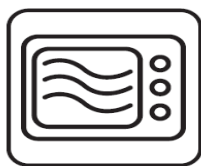

CAN I PUT MY FOOD KEEPER IN THE FREEZER?

Yes, all our food keepers are freezer safe; the minimum and maximum temperatures allowed are always mentioned on the packaging or engraved on the product itself.

CAN I PUT MY FOOD KEEPER IN THE MICROWAVE?

Yes, all our food keepers are microwave safe; please refer to the specific microwave icon as well as the maximum temperature allowed. Except for specific microwave food keepers, please remove the lid before reheating.

CAN I WASH MY FOOD KEEPER IN THE DISHWASING MACHINE?

Yes, please refer first to the specific dishwasher machine icon, then check the maximum temperature allowed.
